247/25 CLERK UPDATE.

Play Area Inspection – Further emails have been sent to ODS as no reply has been received to date.

Property on the Green – Mrs Oakley reported that the resident who has offered to remove the bricks has asked for some assistance as the ground is very wet. Mr Walker agreed to help.

Manor Drive – An inspector from OCC Highways was due to inspect the road surface in November. The Clerk will request an update.

Bus Service 46 – The Clerk has written to Oxford Bus Company to request that a stop at Cowley Retail Park is added to the bus route.

Simple Survey Surveyors. – Email from Mr Harris. Councillors stated that planning permission for the wall is not required. Mrs Oakley will visit the site.

Gigaclear – Mrs Oakley reported that Gigaclear originally wanted to dig a trench from the Chequers to the Hub, but due to past history permission wasn't granted so they are now using the pavement.

Annual CIL Declaration. – The Clerk will complete the declaration and return to SODC.

248/25 BUDGET 2026/2027.

Councillors approved the budget for 2025/2026.

249/25 PRECEPT 2026/2027.

The Clerk circulated the draft Precept for consideration before approving at the January 2026 meeting.

250/25 UPGRADE OF VILLAGE HALL.

Mr O'Brien will circulate to all Councillors an email received today from the architect. The architect has received several emails from the Planning Department at SODC requesting an update.

251/25 PURCHASE OF NEW BENCHES.

The benches and picnic table have now been delivered and will be stored in the village hall until they are installed in the play area. Mr Walker will liaise with a resident with regards to installation. The Clerk will write to the two residents who kindly offered to sponsor the purchase of the benches and inform them of the cost. Mr Parker stated that the residents may want plaques to be attached to the benches.

252/25 NEW BUS SHELTER.

Mrs Oakley is still waiting to receive the quotations.

253/25 DISTRICT & COUNTY COUNCILLOR REPORTS. –

Report from Cllr James-Lawrie – (District Councillor) – (Report sent by email) –

I am delighted to confirm that we the SODC have submitted our Local Government Re-organisation proposal for two unitary councils for Oxfordshire and West Berkshire to the Government. This is the councils preferred option and we believe it hits all criteria the Central Government is looking for.

Last year we ran a new CIL grant which proved to be successful and I am very pleased to say we are running it again this year starting in January, the details will be coming out closer to the start but I can say the amount is again £750,000. I recommend everyone who wishes to apply to please do.

The Councillors grant is still open closing on the 6th of December at midday, I look forward to seeing those applied and will do my best to fairly allocate money to any and all projects.

In November the Council has taken on the powers of the DVLA allowing us to now collect:

Untaxed Vehicles – New, Uninsured Vehicles – New, Abandoned Vehicles – Current. We expect to have the new powers active by Summer 2026.

Cllr Bearder – (County Councillor) – No report available.

Mrs Oakley stated that Mr Bearder has circulated a leaflet to properties near Gateley suggesting that the grass area at Gateley be converted into a play area or wildlife area. Mrs Cook stated that a play area is not

required and Horspath already has a wildlife area. Mrs Cook's suggestion was for a parking area for permit parking only for the residents in the area. Mr Igoe also stated that a parking area would be preferred. Mr O'Brien stated that the area is big enough for a car parking area and still leave a grass area.

257/25 AOB.

- a. Mrs Oakley passed thanks to the Bennett family for offering to put up the Christmas tree.
- b. Mr O'Brien asked if there is any update from Sustrans. The Clerk confirmed that no further correspondence has been received.
- c. Mr Walker asked if Mr Surman could carry out another repair to the Village Green as further damage has been caused by a lorry. Mrs Oakley will contact Mr Surman. Mr Walker stated that better signage for warning of the low bridge is required as this problem is happening more frequently. The low bridge signs need to be installed from Stagecoach. The Clerk will contact OCC.
- d. Mr Igoe has been asked by a few residents why the meal voucher scheme has stopped in December. Mrs Oakley stated that the pub is very busy in December and has a number of private parties. Mr Parker stated that it is a shame that some residents think the meal voucher scheme has become an entitlement. Mr O'Brien stated that he has spoken with a representative of the pub who has said on average around 110 people per month, with only one person leaving a tip for the waitress. There has been occasions when residents have been rude to the waitresses which is very poor. Mrs Oakley stated that a note has been put on the vouchers with regards to tips.
- e. Mr O'Brien stated that although there is an enforcement notice in place, the buildings are still in place at 84 Gidley Way.

Public:-

- f. Mrs Walker reported that the Mole Pub has put a banner up on the Village Green advertising a Christmas market, but the banner from their summer event has not been taken down. Mrs Oakley will remove the banner.
- g. A resident asked what is happening at the wood yard on Sandy Lane as there is a lot of construction vehicles arriving at the site. Mrs Cook stated that there a wooden structure being erected. Mrs Cook and Mr O'Brien will visit the site. The Clerk will inform the Planning Department at SODC.
- h. Mrs Brown reported that the lighting in the over-flow car park does not work and the area is very un-even and dark.
- i. Mr Hamlet suggested that a letter is sent to Mr Martin Harris to thank him for all of the work that he has done with the Wildlife Area that is now on an official map and is totally protected and also for his help on other projects.

Mr Hamlet asked that a traffic survey is requested from OCC as the traffic in the village has doubled. Since Garsington closed people started to come through Horspath and have continued to do so. In Garsington, all

speed humps are intact, no potholes, white lines/arrows in place, but the speed humps in Cuddesdon Road are damaged and there are several large potholes and no white lines in the village.

Mr Hamlet stated that it seems that the village hall is grinding to a halt despite Mr O’Brien’s hard work and suggested that HPC looks at an alternative plan. Mr Hamlet suggested that the Scout Hut is renovated to changing rooms for the Cricket Club and then convert their changing rooms and use within the village hall footprint. This would save a lot of money by just renovating and not extending and would not need planning permission. There would also not be a need to move the electricity pole. It was agreed that this will be an Agenda item at the January meeting. Mr Hamlet stated that the project needs to be pushed forward.
